

## LEVEL TWO NEWSLETTER TERM 3

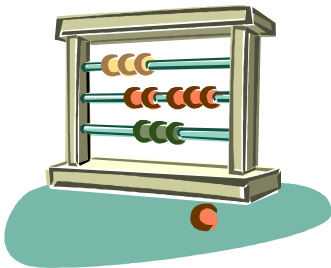

2013

### Numeracy

In Numeracy this term students will be working in a variety of areas including:

- \* Telling the time to the hour, half and quarter hour
- \* Days, Months, Seasons and reading a calendar
- \* Money
- \* Fractions
- \* Multiplication by repeated addition
- \* Conducting surveys and graphing results.

### Literacy

In Literacy we will be learning to write Information Reports. The children will be doing lots of “wondering” about living things and finding out answers and then reporting about them to their peers, in writing and digital forms.

We will also conduct experiments and write procedures about them.

In grammar we will learn about proper and common nouns, collective nouns, plurals, adjectives and verbs.

In spelling we will focus on double sounds, blends and ends.

### Fete News

In lead up to the Fete in Term 4 we will undertake some activities to help stock our stalls. The 1/2s are running 4 stalls and the Fete Reps for each stall are:

- \* Plant Stall 1/2ER - Hajir M.
- \* Face Painting 1/2S - Bronwen M.
- \* Second Hand Sporting Goods 1/2T - Pushkala S.
- \* Sand Art 1/2V - Roz C. and Emma E.

We are looking for volunteers to help with the stalls. If you have seedlings, cuttings etc please send them in for the Plant Stall. We also request that you do not throw out any old bikes or anything with wheels as these can be sold at the second hand sporting goods stall.

### Inquiry

This term our Inquiry unit is science based investigating “What living things need to survive?” The unit will help children to understand that:

- \* Living things have a variety of external features.
- \* Living things live in different places where their needs are met.

- \* Living things grow, change and have offspring similar to themselves.

Students will have an opportunity to study the process of chicks hatching and learn about minibeasts. They will also have an opportunity to investigate how plants grow and what they need to grow by planting and caring for their own.
