

Spelling

Complete your spelling sheet with your 5 personal words. Either print it and stick it in your book, or complete it electronically, send it to your teacher or bring it on a USB.

You can find the sheet on the 5/6 page on our website.

Socratic Seminars

This week you will be viewing a text called 'Smacking Ban'. This can be found at:

<http://www.abc.net.au/btn/story/s3814890.htm>.

Complete your brainstorm and plan for the next Socratic Seminar. Please do not lose your plan. You may stick it in your homework book.

You do not need to search truth outside, but find inside. Socratic Method

Maths

Log onto Mathletics and complete your set tasks. There will be 4-5 set for the two weeks.

Homework Timetable

Inquiry, Reading and Writing

This week for science and writing, we would like the students to work on and finalise their Scientific Procedure Writing for their own experiments, which they will perform at the science fair. It might be a good idea to have a go at the experiment at home to make sure it works. You must do this in order to finish the report i.e. the discussion and explanation. If you have any questions about this, please see your classroom teacher.

Please complete your reading log as normal.
